District of Columbia — Individual Income Tax Forms

This package contains the following: Form D-40 and D-40EZ — Schedules A and H

IMPORTANT MESSAGE TO TAXPAYERS

The majority of the tax law changes enacted by the Federal Tax Reform Act of 1986 will be effective for tax year 1987. The District of Columbia will conform to most of the Federal tax law changes. Additional changes enacted by the District of Columbia will affect your 1987 tax return. These changes, which are discussed in detail in the instructions contained in this booklet, are as follows:

- The Pension and Annuity Income Exclusion will continue.
- Tax rates have changed.
- The Zero Bracket amount was replaced by a new standard deduction.
- The amount allowed for Personal exemptions has increased.
- . There is a new low income credit.

Before you prepare your 1987 District of Columbia Individual Income Tax Return, you must complete your Federal Income Tax Return. The major changes in your D.C. taxes for tax year 1987 are included in the computation of the Federal Adjusted Gross Income Total. It is this amount which is carried over to the District Individual Income Tax Return. For tax year 1987, if you are not required to file a Federal tax return you do not have to file a District Individual tax return (See instructions for Filing Requirements).

For tax year 1987, the D-40EZ and D-40 individual income Tax Returns have been redesigned, so that they can be read by special optical character recognition (scanning) equipment. The information you write on these tax returns will be "scanned" and automatically entered into a computer, thereby bypassing traditional manual data entry operations. The Department of Finance and Revenue is taking this step in order to process your tax return faster and with fewer errors. The success of this project will depend to a great extent on how you complete your tax return. Please follow the instructions contained in this booklet on how to enter scannable data on your return.

The District of Columbia will continue to provide numerous taxpayer assistance services. For a list of these services, please see the inside front cover of this booklet. We will also continue to give prompt attention to the processing and mailing of all income tax refund payments. In order to free our employees to assist taxpayers with the preparation of their returns during the peak filing period, information regarding the status of 1987 refunds will not be available before May 1, 1988.

IMPORTANT SPECIAL INSTRUCTIONS FOR FILLING OUT FORMS D-40EZ AND D-40

FOR TAX YEAR 1987, THE D-40EZ AND D-40 INDIVIDUAL INCOME TAX RETURNS HAVE BEEN REDESIGNED, SO THAT THEY CAN BE READ BY SPECIAL OPITICAL CHARACTER RECOGNITION (SCANNING) EOUIPMENT. THE INFORMATION YOU WRITE ON THESE TAX RETURNS WILL BE "SCANNED" AND AUTOMATICALLY ENTERED INTO A COMPUTER, THEREBY BYPASSING TRADITIONAL MANUAL OPERATIONS. THE DEPARTMENT OF FINANCE AND REVENUE IS TAKING THIS STEP IN ORDER TO PROCESS YOUR TAX RETURN FASTER AND WITH FEWER ERRORS. THE SUCCESS OF THIS PROJECT WILL DEPEND TO A GREAT EXTENT ON HOW YOU COMPLETE YOUR TAX RETURN.

IT IS IMPORTANT THAT YOU FOLLOW THE RULES BELOW:

- If you receive a MAILING LABEL with your tax booklet, use the MAILING LABEL, since this label can be scanned.
 - DO NOT write in the name, address or social security boxes on the tax return, if you use the MAILING LABEL.
 - If you are using a MAILING LABEL, place the MAILING LABEL on top of the name, address and social security area of the tax return.
 - Make any necessary changes, if needed on the MAILING LABEL.
- 2. If you DID NOT receive a MAILING LABEL, you must fill in the name, address and social security BOXES on the tax return, following the instructions below.
 - Print clearly
 - Print your letters and numbers according to these samples:

- Most names and addresses will fit in the boxes provided. However, if for example, there are
 more than (15) letters in your last name, start at the left hand box and enter as many letters
 as you can until you run out of boxes to the right.
- Leave a space between your house number, address and street (drive, place, circle, court, etc.). You may abbreviate the words Street (ST), Drive (DR), Place (PL), Circle (CR), and Court (CT), etc.

| EXAMPLE | | | | | |
|---|------|-------|-------------|---------|-----|
| Present home address (number and street) | 4000 | MAPLE | ST | Apt. no | 101 |
| | | | | | |

You may use almost any writing instrument except Green Inks or Green Ribbons.

REMEMBER, YOUR HANDWRITING WILL DETERMINE HOW ACCURATELY YOUR TAX INFORMATION IS TRANSFERRED TO THE COMPUTER. CLEAR AND DISTINCT CHARACTERS, WRITTEN LIKE THE ABOVE SAMPLES, WILL ENSURE ACCURACY.

Instructions for Form D-40 and for Schedules A and H

DISTRICT INCOME TAX HIGHLIGHTS

There are many changes for 1987 that will affect the filing of your Federal and District of Columbia Tax returns. Some of these changes are a result of the passage of the Federal Tax Reform Act of 1986 which will affect not only the 1987 tax year. but subsequent tax years as well. The District of Columbia will conform to many provisions of the Federal tax law, but will remain in non-conformity with certain other provisions. Additionally, the District of Columbia has enacted its own legislation that will affect the filing of your 1987 District of Columbia Individual Income Tax Return. The following are highlights of these changes:

Federal Tax Law Changes in Which D.C. Will Remain in Conformity for 1987

- Definitions of gross income, capital assets, depreciation, and certain deducions.
- The marital deduction addback is no longer applicable, since it has been eliminated for Federal tax purposes.
- Moving expenses are now claimed as an itemized deduction rather than an adjustment to income.
- The limitation to medical deductions has been increased from 5% to 7.5%.
- State and local sales tax is no longer allowed as an itemized deduction.
- There are certain limitations on interest expense deductions, miscellaneous deductions, and business expenses for those taxpayers who itemize their deductions.

Federal Tax Law Changes in Which D.C. Does Not Conform for 1987

- Social Security income remains nontaxable on a D.C. return.
- Certain gambling winnings are not taxed on a D.C. return.
- The D.C. return allows additional exemptions for blind, over age 65 and head of household, whereas for Federal tax purposes, an additional Standard deduction is allowed.

Other Changes on the D.C. Individual Tax Return for 1987

- New tax rates and tables.
- The Zero Bracket Amount has been replaced with an increased Standard Deduction.

- Personal exemptions have been increased.
- There is a new Low Income Credit for eligible taxpayers.
- Taxpayers not required to file a Federal Tax return are not required to file a D.C. return.
 - New filing requirements.
 - New penalty and interest provisions.
 - Scannable D-40EZ and D-40 returns.
- The pension and annuity exclusion is retained.

Read carefully the instructions contained within this booklet before preparing your District return. You should complete your Federal return before preparing your District return. You should also use form D-40 to request a refund of tax withheld if you are not required to file a D.C. return because you were not required to file a Federal tax return.

GENERAL INSTRUCTIONS

If you received a mailing label on the forms that were sent to you, please affix the label to the tax return that you file. For those taxpayers who did not receive a label, you must print your name, address and social security number in the special scannable boxes provided. If you do not require that a booklet be mailed to you next year, please check the box provided on the front page of Form D-40 and you will receive only a label to be attached to your 1988 return. Requesting that forms not be mailed reduces government costs.

Married taxpayers who file separately on one form should use Column A for the husband and Column B for the wife. Taxpayers who are single, head of household, married filing jointly or married and spouse is filing on a separate form must use Column B.

Married taxpayers who file jointly or separately on one form must be careful to show social security numbers in the proper boxes for each one. If you are married and filing on a separate form, enter your spouse's name and social security number in the space provided next to Filing Status D.

District law requires that your Social Security number be entered in the space provided. Your Social Security number is necessary for proper identification of your account with the District and will be used only for tax administration purposes.

The instructions in this booklet generally assume that you are filing a Federal tax

return and instruct you to enter certain items or amounts from your Federal return on your District return.

Who Must File a Tax Return

File a Form D-40 if your income exceeds the amount of personal exemptions and standard deductions allowed under the Federal Internal Revenue Code of 1986:

- For married persons filing jointly
- For single persons
- For heads of household; or
- For married persons filing separately

and (1) You maintained a permanent home (domicile) in the District at any time during the taxable year; or (2) You maintained a place of abode (lived) in the District for an aggregate of 183 days or more during the taxable year. If the requirements of (1) or (2) are met for less than the full year, you must file a part-year return.

Note: If you do not meet the income requirements, but you are a resident of the District, you should file Form D-40 to request a refund of tax withheld. You should also use Form D-40 to request a refund of tax withheld if you are not required to file a D.C. return because you were not required to file a Federal tax return.

Who is Not Required to File a Return

Do not file a return if you were:

- Single, married filing jointly or separately, or head of household and not required to file a Federal return.
 - A nonresident of the District.
- An elective officer of the U.S. Government, unless domiciled in the District.
- An employee on the personal staff of an elected officer in the legislative branch of the U.S. Government, and both you and the elected officer are bona fide residents of the same state.
- An officer of the executive branch of the U.S. Government appointed by the President of the United States, subject to confirmation by the Senate of the United States, and whose tenure of office is at the pleasure of the President, unless you were domiciled within the District at any time during the taxable year.
- A Justice of the Supreme Court of the United States not domiciled within the District at any time during the taxable year.

Note: If you are a nonresident who is not required to file a District return, and District tax was withheld from your wages, use Form D-40B to claim a refund. Form D-40B may also be used to request a ruling with respect to liability for District income tax. To request a Form D-40B, see instructions on How to Obtain Forms. If you are not required to file a tax return, but you are entitled to a property tax credit, file Schedule H (Form D-40) only.

How to File a Part-Year Return

If you were a District resident for less than a full calendar or fiscal year, follow instructions 1 through 4 below. If you and/or your spouse lived in the District for less than a full year and for different periods of time, you must file separate Forms D-40

- (1) Complete Part I of Form D-40, page 2 by copying the corresponding line by line amounts from your Federal return. Gross income received while a nonresident of the District is subtracted by reporting such income on line 48, Part II of Form D-40, page 2.
- (2) Prorate your personal exemptions and credit for dependents according to the number of months you were a resident of the District. (For the purpose of prorating exemptions and dependents, divide the aggregate number of days you were a resident of the District by 30 in order to determine months. A remainder of over 15 days shall be considered a full month).
- You may itemize your deductions or claim a Standard Deduction prorated according to the number of months you were a resident of the District. (For the purpose of prorating the Standard Deduction, divide the aggregate number of days you were a resident of the District by 30 in order to determine months. A remainder of over 15 days shall be considered a full month). If you itemize deductions, copy your deductions from your Federal Schedule A or District Schedule A (if you are not itemizing deductions on your Federal return) on lines 56 through 63, Part III of Form D-40, page 2. Subtract the deductions paid during the period of nonresidence in the District on line 66, Part III of Form D-40, page 2.
- (4) Do not claim the property tax credit. This credit is allowed only if the claimant lived in the District for the full twelve months of the year.

When and Where to File

File your return as soon as possible after January 1, but not later than April 15, 1988. Mail it to the Department of Finance and Revenue, Ben Franklin Station, P.O. Box 7861, Washington, D.C. 20044-7861.

Extension of Time for Filing Copies of Federal extension of time requests are no longer accepted.

If you require more time to file your return, an extension of time may be requested by filing Form FR-127 on or before April 15, 1988. Any balance of tax due, as

shown on Form FR-127, must be remitted with the request. Interest must be paid on any tax which is not paid on time, and is computed from the due date of the return even though an extension of time may be granted in which to file the return. To request a Form FR-127, see instructions on How to Obtain Forms.

Payment of Balance Due

Any balance of tax due must be paid with your return. If combined separate filing is elected, the combined net balance due must be paid with your return. Make your check or money order payable to the "D.C. Treasurer." Do not send cash. Write your social security number on your remittance.

Penalties and Interest

For 1987, the penalty for failure to file a return on time or failure to pay any tax due is 5 percent of the unpaid portion of tax due for each month, or portion of a month, that such failure to file or pay continues, but not more than 25 percent in the aggregate.

In the case of a substantial understatement of tax for any return due to be filed, there shall be added to the tax an amount equal to 20 percent of the amount of any underpayment attributable to the understatement. There is a substantial understatement of tax if the amount of the understatement exceeds the greater of (a) 10 percent of the tax required to be shown on the return or (b) \$2,000. Understatement means the excess of the amount of tax required to be shown on a return, or determined through an audit or review, over the amount of tax imposed that is shown on any original or amended return, less any overpayment, credit, or refund.

For 1987, interest at the rate of one and one-half percent per month, or portion of a month, must be paid on any tax which remains unpaid after the due date of the return. Interest is computed from the due date of the return to the date of payment and applies even though an extension of time to file may have been granted.

Notice of Charge for Dishonored Checks

A penalty of \$15.00 will be imposed if a check in payment of any obligation due the District of Columbia is not honored by your bank

Declaration of Estimated Tax for 1988

A Declaration of Estimated Tax is required when an individual anticipates gross income not subject to withholding tax that will result in a tax liability of more than \$100.

Joint or Separate Returns

It is generally advantageous for married couples to file separate returns. They may file separate returns on one Form D-40.

Separate returns should include only the income of the filing spouse.

Joint returns must include all income of both spouses. The names and social security numbers of both spouses must be entered in the heading of the return. Both spouses must sign the return.

Combined Separate Filing

If combined separate filing is elected: (1) the husband must report his income in column A and the wife must report her income in B; (2) the names of both spouses must be entered in the heading of the return; and (3) both spouses must sign the return. Do not claim an exemption for the other spouse if he (she) is filing a separate or combined separate return.

Change of Address — If you move during 1988 after filing your 1987 District income tax return, notify the Department of Finance and Revenue of your new home address. This notification should be in writing and should contain the following information:

- 1. Name(s) under which the return is filed;
- 2. Address shown on return;
- 3. Your new address; and
- Your social security number and, if applicable, your spouse's social security number.

Note: If you have notified your post office of a change of address, your refund check, if you are due a refund, should be forwarded to the new address.

Deceased Taxpayers

If a person died in 1987 or in 1988 before filing a return for 1987, the executor, administrator or surviving spouse must file a return for the decedent. An executor or administrator may elect to file a joint return with the surviving spouse. If an executor or administrator has not been appointed, the surviving spouse may file a joint return and indicate on the return in the designated area the date of death. It is not necessary to prorate the personal exemption or standard deduction of the deceased taxpayer if he (she) died during 1987. If a refund is due, attach Form FR-147. To request a Form FR-147, see instructions on How to Obtain Forms.

Surviving Spouse

You may qualify as surviving spouse if you meet all the tests for Federal tax purposes. If your spouse died in 1987, you may file a joint return for the year if: (1) you were entitled to file a joint return at the time your spouse died and (2) you did not remarry during the year. If you are a surviving spouse with a qualified dependent, you may file as Head of Household.

Whole-Dollar Accounting

You may round off cents to the nearest whole dollar on your return and schedules. If you elect to round off, do so for all

amounts. You can drop amounts under 50 cents. Increase amounts from 50 to 99 cents to the next dollar.

Attachments to the Return

Fill in applicable items of income, adjustments, tax computation and deductions on the official return form and schedules. If you need more space, attach statements that follow the format of the official forms. Enter the totals shown on the supporting statements on the appropriate lines of the official forms. Be sure to put your name and social security number on any attachments.

A limited supply of general purpose forms will also be available at the District Building, the Main Post Office, and the Martin Luther King Memorial Library. For a list of other tax forms locations, please call 727-6103.

Amended Returns

Form D-40X must be used to correct a previously filed Individual Income Tax Return (Form D-40). Do not file an amended return to provide additional information that has been requested by the Department of Finance and Revenue about any tax return you have already filed. If an adjustment was made by the Internal Revenue Service on any Federal Tax return, you must file an Amended D.C. return within 90 days of final adjustment. Amended returns should be mailed separately from your current year return. By filing an amended return as early as possible, you can minimize any accrued interest charges

SPECIFIC INSTRUCTIONS

Report the husband's income, deductions and exemptions in column A, and the wife's in column B if you elect to file combined separate returns.

Instructions for Page 1, Form D-40 Lines A thru E — Filing Status and Exemptions

Place an "X" in the block which designates your filing status. Married persons not living together must file as single persons. Head of Household status may be claimed if you are eligible for such status on your Federal return. You must allocate the exemptions for taxpayer and spouse together with the exemptions for age 65 or over, or blindness to the taxpayer to whom they relate.

Indicate in the blocks beside your filing status the personal exemptions to which you are entitled. You may claim an exemption for your spouse only if all the income of the spouse is included on this return or if your spouse had no income.

Multiply the number of exemptions to which you are en titled by \$885 and enter this amount on line 9, Column A and/or B. If this is a part-yea return, this amount must be prorated. However, if one spouse item izes deductions, the other must also itemize and may not claim the standard deduction. The standard deduction allowed for filling status (A), (B) or (C) is \$2,000. Line 11 — Tax

If your taxable income is less than \$50,000, enter your tax from the Tax Table. Use the Tax Rate Schedule if your taxable income is \$50,000 or more. Both the Tax Table and Tax Rate Schedule are included in this booklet.

Line 12 — Credit for Tax Paid Another State

A resident of the District may claim a credit for income tax required to be paid, and which was in fact paid, to another state, territory or possession of the United States, or political subdivision thereof on income earned or received from sources within that jurisdiction while a resident of the District. To arrive at the credit use the following procedure:

- Compute your District income tax liability on all income received within and without while a resident of the District.
- (2) To compute this credit, first find the percentage which the income subject to tax in the other jurisdiction while a resident of the District bears to the total income received within and without while a District resident.
- (3) You may compute the maximum credit by applying the formula below:

$$\frac{A}{B} \times C = D$$

- (A) Is income of any type derived from and taxed by any jurisdiction other than the District. Income derived from, but not taxed elsewhere may not be included in this numerator.
- (B) Is your entire adjusted gross income from within and without while a resident of the District.
- (C) Is your District tax liability before any other credits.
- (D) This is the maximum credit computation. (The allowable credit may not exceed your District tax liability before any other credits, and cannot exceed the tax paid to the other state on income attributable to that state).

Attach a copy of the tax return filed with the other jurisdiction to your District return.

Line 13 — Credit for Political Campaign Contributions

Fifty percent of campaign contributions to District of Columbia political candidates up to a maximum of \$100.00 on a joint return or \$50.00 on all others can be claimed for the offices listed below:

- Electors of the President and Vice President of the United States;
- The Mayor, members of the Council and Delegate to the House of Representatives for the District of Columbia;
- The members of the Board of Education; National committeemen and national committeewomen for the District of Columbia;
- Delegates from the District of Columbia to conventions of political parties nominating candidates for the Presidency and Vice Presidency of the United States;
- Alternates to the officials referred to above, where permitted by political party rules;

This credit is not allowable if you were claimed as a dependent on another District tax return.

Line 14 — Credit for Child and Dependent Care Expenses

You must meet all the tests and requirements for Federal tax purposes to claim this credit on your District return. (However, married persons may file combined separate returns in lieu of filing a joint return). You must file a joint return or combined separate returns in order to claim this credit. In the case of a return filed for a full year, the credit entered on line 14 is equal to thirty percent (30%) of the credit allowed on your Federal return regardless of the amount of the credit actually used to offset Federal tax liability. Do not enter the credit directly from your Federal return.

If you are filing a part-year District return, you must complete District Form D-2441 and attach it to your return. The credit shall not exceed six percent (6%) of the employment-related expenses that were incurred during the period you were a resident of the District. To request a Form D-2441, see instructions on How To Obtain Forms.

Line 15 - Low Income Credit

Beginning in tax year 1987, the District of Columbia is providing a Low Income credit for certain eligible taxpayers. If your Federal tax liability is zero because your income was less than the sum of the Federal personal exemptions and standard deduction claimed

on your Federal return, you may be entitled to a Low Income Credit, which will reduce your D.C. tax liability. This credit will reduce your D.C. tax liability but cannot be refunded.

Example: A taxpayer who is single, under age 65 and not blind, and who has gross income of \$4,440, is entitled to a Federal exemption of \$1,900 and a Federal standard deduction fo \$2,540. The total of the exemption and standard deduction results in zero Federal taxable income and no tax liability. On this taxpayer's District return the income of \$4,440, less the D.C. personal exemption of \$885 and the D.C. standard deduction of \$2,000, would result in taxable income of \$1,555 and a tax liability of \$95. Since there was no Federal tax liability, this taxpayer would be eligible for the Low Income Credit which is found by going to the Low Income Credit Table (In this Instruction Booklet), for Single Persons, under 65 and Not Blind. Find the credit under the column heading Number of Federal personal exemptions claimed on the Federal tax return. The amount of the Non-refundable low income credit is \$93.30. If you claim this credit, you must attach a copy of your Federal return to your D.C. return.

Line 18 — District Tax Withheld

Enter the total amount of District income tax withheld during 1987 and attach the District copy of all W-2 Forms or other approved substitute withholding tax statements to your return.

Line 19 — District Estimated Tax Paid

Enter the amount of any 1987 estimated tax payments. If a joint 1987 estimated tax return was filed, the husband and wife may divide the estimated tax paid between them, or either may claim the total amount paid.

Line 20 — Payments Made with Extension of Time to File

If Form FR-127 was filed to request an extension of time to file, report the amount paid with that request.

Line 21 — Property Tax Credit

Enter the amount of any property tax credit to which you are entitled from either line 9 or line 14, Schedule H. The credit may not be split between column A and B. See detailed instructions for Schedule H.

Lines 23, 24, 25 and 27 — Balance Due or Refund

If the total of your net tax on line 17 is more than your payments and credits on line 22, enter balance due on line 23. This amount should be paid in full with your return unless combined separate filing is elected. If combined separate filing is elected, see instructions for lines 27 and 28.

If the total of your payments and credits on line 22 is more than your net tax, line 17, enter overpayment on line 24. You must enter on line 26 the amount of overpayment you wish to have refunded to you. The

amount on line 26 will be refunded unless combined separate filling was elected. If combined separate filling is elected, see instructions for lines 27 and 28. Enter on line 25 the amount of overpayment you wish credited to your 1988 estimated tax. If combined separate filling is elected, and if you are filling joint 1988 estimated tax vouchers, you must check the box on line 25 to assure proper credit.

Lines 27 and 28 — Combined Balance Due or Refund (Filing Status (E) only)

Husband and wife who elect to file combined separate returns are the only persons who should complete these lines. The balance due or refund of one spouse must be combined with the balance due or refund of the other spouse. For example:

- (1) If the husband has a balance due of \$50 (line 23), and the wife is due a refund of \$100 (line 26), the amounts should be combined. In this case the result is a net refund of \$50. Therefore, the husband should not send a check for the amount shown on line 23.
- (2) If the husband has a balance due of \$80 and the wife is due a refund of \$40, the amounts should be combined. In this case the result is a net balance due of \$40, and a check or money order for \$40 should be sent with the return.
- (3) If both have a balance due on line 23, combine the amounts and enter combined net balance due on line 27. Send one check for combined amount.
- (4) If both have a refund due on line 26, combine the amounts and enter combined net refund on line 28. One refund check will be issued for the combined amount.

Instructions for Page 2, Form D-40 PART I INCOME AND ADJUSTMENTS FROM FEDERAL RETURN Lines 28 thru 41

These lines are a summary of the items which make up your Federal income as reported on your Federal income tax return. List on each corresponding line in column A and/or B the amount of each item included on your Federal return. Taxpayers filing combined separate returns and using columns A and B should report income as though separate Federal returns were filed.

If you carried on a business in the District and your gross receipts were \$12,000 or more for the year, you must also include such income on an Unincorporated Franchise Tax return (Form D-30), even though it is reported on line 33. (See instructions for Form D-30). To request a Form D-30, see instructions on How To Obtain Forms.

Net Operating losses may be deducted only to the same extent and for the same year as reported on the Federal return. If a portion of a NOL is carried to years prior to 1982 for federal purposes, such portion is not recoverable on a D.C. return.

Line 42 - Adjustments

You may deduct items reported on your Federal return such as reimbursed employee business expense, alimony or separate maintenance payments, Keogh and individual retirement account contributions. The various items of adjustment are listed in the Adjustments To Income section of your Federal tax return (1040).

For District tax purposes, the Disability Income Exclusion is treated as an adjustment to income. If Disability payments were included in your Federal gross income, you may be able to claim an exclusion on your District return by completing Form D-244C and listing the excludable amount on line 50. Specific instructions are contained on Form D-2440.

INSTRUCTIONS FOR SCHEDULE H (FORM D-40) PROPERTY TAX CREDIT

If you qualify for the property tax credit, and if you are required to file a District Individual Income Tax Return, Form D-40, attach completed Schedule H to the return. If you are not required to file a District Individual Income Tax Return, and you qualify for the property tax credit, Schedule H should be completed and filed by itself.

If only Schedule H is filed, District law requires you to furnish your Social Security number in the space provided on Schedule H. This number will be used for proper identification of your account with the District and will be used only for tax administration purposes.

Who May Qualify

You must meet all of the following conditions to qualify for the Property Tax Credit.

- You must own or rent the home you occupy in the District for the full twelve months of 1987.
- 2. Your Household Gross Income must have been \$20,000 or less during 1987.
- 3. If you were not 65 or over before December 31, 1987, you must not have been claimed as a dependent on anyone else's 1987 Federal, State or District income tax return.
- The house or apartment which is your home must not be part of a Public Housing Project.
- IF YOU ARE AGE 62 OR OLDER, BLIND, OR DISABLED, you may use Property Tax Table B only if you, together with your spouse (if married), provide 50% or more of the Household Gross Income. Persons blind or disabled do not have to meet this 50% test.
- If you resided in the District for a part of the year or died before December 31, 1987, you do not qualify for property tax credit.

How To File

Your claim for property tax credit, Schedule H, must be attached to your 1987 District income tax return, Form D-40, if you are required to file a 1987 District income tax return. If you are not required to file a 1987 District income tax return, Schedule H (Property Tax Credit Claim) may be filed by itself. If filed by itself, it should be filed by April 15, 1988. If filed with your District income tax return, it should be filed by April 15, 1988. However, a reasonable extension of time may be granted. See Extension of Time for Filing in General Instructions for Form D-40.

File your Schedule H at the time you file your tax return. Filing a separate Schedule H after you have previously filed a tax return could delay your refund.
